Product Description

Product Description

- ◆ Smart Industrial Computer Case: portable, safe and stable
- ◆ Support various customization: Fingerprint, Card reader, CD-ROM, etc.
- ◆ Support ATX motherboard & power supply

The advertisement features a black industrial computer case with a 17.3" LCD screen, a built-in keyboard, and a touch mouse. The screen displays a vibrant image of a yellow bird perched on a red flower. The case is shown open, revealing internal components like the motherboard and power supply. The background is a dark blue gradient with a tree branch and leaves in the top right corner. The text 'Smart Industrial Computer' is prominently displayed in white. Below it, three icons represent the product's features: a grid for portability, a bar chart for customization, and a circuit board for ATX support. At the bottom, a black banner contains the slogan 'Subvert the traditional concept, A workbench that moves at any time'.

Smart Industrial Computer
