- Highlight: **20ms Response Time Dual Monitor Screen**, **External Dual Monitor Screen**

15.6inch FHD Dual Foldable Portable Monitor

Just one USB-C cable for Triple-Screen Sharing

Product Description:

The contrast ratio of 1200:1 ensures that you get clear and sharp images with deep blacks and vivid colors. The refresh rate of 60Hz delivers smooth and lag-free performance, which is great for gaming, video editing, and other tasks that require fast and accurate response times.

The panel type of IPS provides excellent viewing angles and accurate color reproduction, making it a great choice for graphic designers, photographers, and other professionals who require high-quality visuals. The resolution of 1920x1080 ensures that you get sharp and detailed images, which is great for watching movies, browsing the web, and other everyday tasks.

As a dual screen laptop monitor, our Portable Monitor Dual Screen product is designed to be compatible with a wide range of laptops and computers. It comes with a USB-C cable that allows you to connect it to your laptop or computer easily and quickly. The dual screen setup allows you to extend your desktop or mirror your screen, giving you more space to work and allowing you to multitask more efficiently.

Overall, our Portable Monitor Dual Screen product is a great choice for anyone who needs a reliable and high-quality dual screen laptop monitor. Its compact size, high contrast ratio, fast refresh rate, and accurate color reproduction make it ideal for a wide range of tasks, from gaming to graphic design. So why wait? Order yours today and experience the benefits of a dual screen setup for yourself!

Applications:

One of the main applications of the GreatCQ Z1506-D03 Portable Monitor Dual Screen is for professionals who need an external dual monitor screen. This portable monitor can be easily connected to a laptop or desktop computer, giving the user an extended screen space. This can be especially useful for those who work in finance, graphic design, or video editing.

Another application of this product is for students who need a second screen to manage their research, study materials, and assignments. With this dual screen laptop monitor, students can easily have two windows open at the same time, allowing them to multitask and work more efficiently.

Finally, gamers can also benefit from this portable monitor. With its high-resolution display, compatibility with both Windows and Mac, and IPS panel, gamers can have an immersive gaming experience. The contrast ratio of 1200:1 and brightness of 280-300cd/m2 make the images on the screen more vivid and vibrant, making it perfect for gaming.

The GreatCQ Z1506-D03 Portable Monitor Dual Screen is a product that comes from China, and it has been certified with CE, FCC, and RoHS. The minimum order quantity for this product is one, and it can be delivered in 5-8 working days. The payment terms include T/T, AliPay, and PayPal. The product comes in a carton box, and the supply ability is 1000 pcs/day.

In conclusion, the GreatCQ Z1506-D03 Portable Monitor Dual Screen is a versatile product that can be used in different scenarios. Whether you need an external dual monitor screen for work, study or gaming, this product can provide you with the extended screen space you need. With its advanced features such as high resolution, compatibility with both Windows and Mac, and IPS panel, this portable monitor can enhance your productivity and entertainment experience.
