Basic Information

- Place of Origin: China
- Brand Name: GREATCQ
- Model Number: ZK-1732-05 Base Version
- Minimum Order Quantity: 1
- Price: ≥ 10 pcs: 535\$; 1-9pcs: 595\$
- Packaging Details: Carton
- Delivery Time: 5-8 working days
- Payment Terms: T/T, AliPay, PayPal

Product Specification

- Graphics: Supports 1050-4070 Graphics Cards
- Processor: Intel I5,i7,i9
- Size: L47 X W37 X H20CM
- HDD: 3 Pcs 2.5inch, 1 Pcs 3.5inch
- Screen: 17.3 Inch
- Radiator: The Total Height Is Less Than 150mm
- Cooling Fan: 8025 & 9025
- Construction: Aluminum Chassis
- Highlight: **i9 Processor Industrial PC,
4070 Graphics Cards Industrial PC,
17.3 Inch Industrial PC**

Product Description:

With up to 64GB*4 DDR4 memory, this All In One Industrial PC offers lightning-fast performance and can handle even the most resource-intensive tasks with ease. Whether you're running complex simulations, analyzing large amounts of data, or performing other compute-intensive operations, this Industrial Computer can handle it all.

Thanks to its rugged construction and industrial-grade components, this Desktop Computer can operate in a wide range of working conditions. With a temperature range of 0-45 Industrial Condition, this All In One Industrial PC can function reliably in even the toughest environments, ensuring maximum uptime and productivity.

This Industrial Computer also features support for 1050-4070 Graphics Cards, allowing you to connect multiple displays and perform advanced graphics-intensive tasks. Whether you're designing products, analyzing data, or running simulations, this Desktop Computer has the power and performance you need.

Measuring L47 X W37 X H20CM, this Industrial Computer is compact and easy to install, making it ideal for use in a wide range of industrial applications. Its compact size doesn't compromise on performance, however, as this Desktop Computer packs a powerful punch in a small package.

To keep this Industrial Computer running cool and quiet, it features two high-quality cooling fans, including an 8025 and a 9025 fan. These fans work together to keep the system running at an optimal temperature, even during prolonged use.

In conclusion, if you're looking for a reliable, high-performance Industrial Computer for your industrial applications, look no further than this All In One Industrial PC. With its powerful processor, generous memory, advanced graphics support, and rugged construction, this Desktop Computer is the perfect solution for all your computing needs.

Smart Industrial Computer

Portable, Safe and Stable

PCIe Slot x 7pcs

Support ATX Motherboard & Power

**Subvert the traditional concept.
A workbench that moves at any time**

PORTABLE DESIGN

BUILT-IN KEYBOARD

PRECISION TOUCHPAD

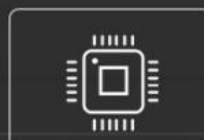

SHOCKPROOF
AND
COMPRESSIVE

METAL BODY

EFFICIENT HEAT
DISSIPATION

INDUSTRIAL GRADE
PROCESSOR

HD DISPLAY

Protable Industrial Design

Geniustar

Ergonomic Handle Design

More Comfortable Grip and More Durable

WORK EFFICIENTLY AND LEAVE

BREAK THE SHACKLES OF TRADITIONAL
INDUSTRIAL COMPUTERS

Features:

Product Name: Industrial Computer

Memory: Up To 64GB*4 DDR4

HDD: 3 Pcs 2.5inch, 1 Pcs 3.5inch

Radiator: The Total Height Is Less Than 150mm

Graphics: Supports 1050-4070 Graphics Cards

Cooling Fan: 8025 & 9025

Industrial PC, Industrial PC, All In One Industrial PC

Size

Standard Configuration

- | |
|-----------------------------|
| 1. Pure aluminum alloy case |
| 2. 17.3" 1080P LCD screen |
| 3. Cooling fan |
| 4. LCD driver board |
| 5. PC keyboard/touch mouse |

Micro design, mobile live streaming

Compact design for workstations
in a variety of environments

Flight case (Optional)

Technical Parameters:

Graphics	Supports 1050-4070 Graphics Cards
Processor	Intel I5, i7, i9
Radiator	The Total Height Is Less Than 150mm
Construction	Aluminum Chassis
Memory	Up To 64GB*4 DDR4
Cooling Fan	8025 & 9025
Working Conditions	0-45 Industrial Condition
HDD	3 Pcs 2.5inch, 1 Pcs 3.5inch
Weight	About 10 Kg
Size	L47 X W37 X H20CM

Applications:

The ZK-1732-04 Base Version Industrial Computer is designed to meet the needs of modern industrial and commercial environments.

This Desktop Computer is equipped with 3 Pcs 2.5inch and 1 Pcs 3.5inch HDD, making it a great storage solution for various applications. It also features an Intel I5,i7,i9 Processor, ensuring fast processing and efficient performance.

The Industrial Computer supports 1050-4070 Graphics Cards, providing excellent visual performance. Additionally, it comes with a motherboard that is compatible with ITX/MATX/ATX/EATX, making it versatile and applicable for various usage scenarios.

The GREATCQ ZK-1732-04 Base Version Industrial Computer is designed to be robust and reliable, making it suitable for various demanding environments, including industrial and commercial settings. It can be used for various applications, such as automation, data acquisition, and monitoring.

This All In One Industrial PC is also easy to install and maintain, making it a practical choice for those looking for a reliable and efficient computer solution. It weighs approximately 10 Kg and comes in a carton packaging, ensuring its safety during transport.

Order now and get your GREATCQ ZK-1732-04 Base Version Industrial Computer delivered within 5-8 working days. Payment can be made through T/T, AliPay, or PayPal, depending on your preference.

Overall, the GREATCQ ZK-1732-04 Base Version Industrial Computer is a powerful and reliable All In One Industrial PC that is suitable for various professional applications. It offers excellent performance, stability, and versatility, making it a great investment for those looking for a reliable computer solution.
