

60Hz Refresh Rate and 16 9 Aspect Ratio Portable Display Dual Screen with Design

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: GreatCQ
- Model Number: Z1401-06
- Minimum Order Quantity: 1
- Price: 1-99pcs: 228\$; 100-499pcs: 218\$; >=500pcs: 208\$
- Packaging Details: Carton box
- Delivery Time: 5-8 working days
- Payment Terms: T/T, AliPay, PayPal
- Supply Ability: 1000 pcs/day

Product Specification

- Aspect Ratio: 16:9
- Power Supply: USB-C
- Contrast Ratio: 1200:1
- Product Category: Portable Monitor Dual Screen
- Product Name: IPS Panel Type Portable Computer Display With Mini HDMI Connectivity
- Response Time: 20ms
- Weight: 16000g

Product Description

Product Description:

A Dual Screen Monitor is an essential tool for those who require enhanced productivity and multitasking capabilities on the go. The Portable Monitor Dual Screen is a versatile solution that offers the convenience of a second screen wherever you are. With its innovative design and advanced features, this Portable Display Dual Screen provides a seamless experience for users looking to extend their screen space while maintaining portability.

Connectivity is key when it comes to a Dual Screen Monitor, and the Portable Monitor Dual Screen does not disappoint. Equipped with USB-C and Mini HDMI ports, this portable display offers versatile connectivity options, allowing you to easily connect to a wide range of devices such as laptops, smartphones, and gaming consoles. Whether you need to mirror your screen or extend your display, the Portable Monitor Dual Screen provides the flexibility you need.

Enjoy smooth and fluid visuals with the refresh rate of 60Hz on the Portable Monitor Dual Screen. Whether you are scrolling through documents, playing games, or watching videos, this portable display ensures a seamless viewing experience with minimal motion blur and ghosting.

Featuring an IPS panel type, the Portable Monitor Dual Screen offers wide viewing angles and accurate color reproduction, making it suitable for a variety of tasks. Whether you are collaborating with colleagues, presenting to clients, or simply enjoying multimedia content, this Portable Screen Extension Display ensures consistent and vibrant visuals from any angle.
